Financial Arrangements Agreement

Payment for all services is expected at the time the service is provided. If treatment requires multiple appointments, payment in full is preferred at the first appointment, but may be divided over the number of appointments. We accept cash, money orders, personal checks, as well as credit cards payments made with Visa, MasterCard, Discover, American Express, or Care Credit. Please note that there will be a \$25 fee attached to the checks that are returned due to insufficient funds. If an extended payment plan is necessary, please inquire about our third-party financing options.

For charges of \$1,000 or greater, a 5% courtesy discount will be extended for payment in full, with cash or a check, prior to treatment. If you have any questions, please speak to the Treatment Coordinators.

We ask that all patients give at least two business days notice when rescheduling an appointment to allow an opportunity for other patients to utilize that time. We reserve a strict prepayment policy for those patients who insistently give inadequate notice. This policy necessitates payment in part or in full at the time the appointment is scheduled. Those who simply fail to appear for their scheduled appointments will be charged a fee of \$35 or 20% of the scheduled treatment if the appointment was scheduled for two hours or more. We understand that advance notice is not always possible and will of course be sympathetic in the appropriate situations.

~ If you have a Dental Benefit Policy ~

Please note that the information provided to us by your insurance company is not a guarantee of payment, and the patient is ultimately responsible for the account balance, regardless of what insurance pays. We will do our best to obtain accurate benefits information from your insurance company, so that we may estimate what your portion will be at each visit. Because we are not contracted with any insurance companies, our fees are not necessarily the same as their allowable fees, and we are therefore only able to estimate what insurance might pay. The portion collected at the time treatment is performed is *only an estimate*, and we will send a statement for any balance that remains after insurance pays. Likewise, you will obtain a credit on your account if your insurance has paid more than was expected, and you may request that credits be mailed to you in the form of a check payment. If you have any questions regarding insurance, please do not hesitate to ask.

I understand and agree that all services rendered to me, my dependents, or others assigned by me to my account are charged directly to me and that I am responsible for payment. Finance charges will be applied to all past due balances at the rate of 1/5% per month (18% annual rate). If at any time I decide to suspend or terminate the care being provided to me or to those whom I have declared financial dependents, any fees for services that have been completed are immediately due and payable. Should the fees for services incurred by me or my financial dependents not be paid in accordance with the provisions discussed in this notice, all applicable finance charges and attorney fees, if legal representation becomes necessary, shall be included in the final amount due. If the account is submitted to a collection agency, a collection fee will also be added.
